IN RE: JATO COMMUNICATIONS CORPORATION	DOCKET NO. TCU-99-22 (TCU-98-23)
--	-------------------------------------

ORDER ACKNOWLEDGING NAME CHANGE

(Issued July 23, 1999)

On December 14, 1998, the Utilities Board (Board) granted the application for certificate of public convenience and necessity filed by JATO Communications Corporation (JATO), in Docket No. TCU-98-23. In the order granting the application, the Board stated that upon approval of tariffs and maps, the Board would issue a certificate to JATO. As of this date, JATO has not filed tariffs or maps for the Board's approval and, therefore, a certificate has not been issued to JATO.

On June 9, 1999, JATO and JATO Operating Corporation (JATO Operating), jointly filed to notify the Board of the assignment of the operations of the telecommunications services company to JATO Operating, a wholly-owned subsidiary of JATO, which will act as the operating company. The letter notifying the Board was assigned Docket No. TCU-99-22. The parties stated they wished to have the name JATO Communications Corporation changed to JATO Operating Corporation. According to the parties, JATO Operating will have the same

managerial and technical staff and quality of service the Board approved when the entity was named JATO Communications Corporation.

The Board has reviewed the letter notifying the Board of the change of name from JATO Communications Corporation to JATO Operating Corporation. When JATO Operating files tariffs and maps and the Board approves the tariffs and maps, the Board will issue a certificate to JATO Operating based upon the application granted to JATO, in Docket No. TCU-98-23.

IT IS THEREFORE ORDERED:

Upon approval of tariffs and maps, the Utilities Board will issue a certificate of public convenience and necessity to JATO Operating Corporation based upon the application granted to JATO Communications Corporation, in Docket No. TCU-98-23.
